

**Salinas Fire Department**

65 W. Alisal Street, Salinas, CA 93901

*Fire Prevention Bureau*

P: 831-758-7466 F: 831-775-4257

**APPLICATION/PERMIT TO USE FIRE HYDRANTS**

I/We hereby apply for a permit to use the fire hydrant(s) in the City of Salinas to take delivery of water and agree to use only approved type hydrants wrenches or spanners and fittings to prevent damage to hydrants stems and outlets.

Water removed from a fire hydrant will require the use of a water meter to be obtained from the affected water company.

Proper water extraction from a fire hydrant is the responsibility of the person or organization listed on the permit. Any and all damage to the fire hydrant must be reported to the fire department immediately. All costs of repair will be the responsibility of the permittee.

## **2016 CALIFORNIA FIRE CODE (CFC) Requirements for Fire Permit**

**CFC 2016 Section 105.6.16 Fire hydrants and valves.** An operational permit is required to use or operate fire hydrants or valves intended for fire suppression purposes which are installed on water systems and accessible to fire apparatus access road that is open to or generally used by the public.

**Exception:** A permit is not required for authorized employees of the water company that supplies the system or the fire department to use or operate fire hydrants or valves.
