REQUEST FOR RELEASE OF FUNDS

On or about January 30, 2025, the City of Salinas Community Development Department will submit a request to the Housing and Urban Development (HUD) for the release of Community Development Block Grant (CDBG) program funds under Title I of the Housing and Community Development Act of 1974, as amended, to undertake a project known as the Sherwood Recreation Center Rehabilitation Project – Phase IV for the purpose of rehabilitating the Old Municipal Swimming Pool Building, located at 920 North Main Street (APN: 003-231-002-000), and converting the facility into a recreation center for the community.

The City plans to allocate CDBG program funds approved through its Annual Action Plans spanning Fiscal Years 2021-22 (B-21-MC-06-0005), 2022-23 (B-22-MC-06-0005), 2023-24 (B-23-MC-06-0005) and 2024-25 (B-24-MC-06-0005). The CDBG allocation for the project under this Categorically Excluded Subject to Section 58.5 (CEST) Environmental Review Record (ERR) is \$3,351,795.20. This amount includes hard construction cost, soft cost, and activity delivery for the project. On October 10, 2023, City completed an Exempt ERR for soft costs and activity delivery on the project in the amount of \$600,000. The total CDBG funding allocation for the project is \$3,951,795.20.

Should there be a need for additional funds for the project, the City can increase funding by an additional 24.99% or \$987,553.62, in conformity with the City's HUD approved Citizen Participation Plan dated May 16, 2023. This could potentially bring the project's CDBG funds allocated to a total of \$4,939,348.82.

The City of Salinas Community Development Department has determined that the project will have no significant impact on the human environment. Therefore, an Environmental Impact Statement under the National Environmental Policy Act of 1969 (NEPA) is not required.
