- Update 11/29/16
- Update 11/30/16

Preliminary easements have started work on gas lines for the upcoming Main Street project. Parkway is closed from East to West between 13th and 14th Streets. The road is open from 7:00 a.m. to 4:00 p.m. and will be closed on weekends. The project will last approximately 60 days, with the road closed for the duration of the project. The project will include the addition of sidewalks, curbs, and gutters, as well as the installation of new stormwater drainage systems.

Update 10/31/16

The project has started to place the necessary equipment for the Main Street project. The equipment is being placed in the area to begin work on the project. The project is expected to be completed by the end of the year.

Update 11/4/16

The project has started to install the necessary equipment for the Main Street project. The equipment is being placed in the area to begin work on the project. The project is expected to be completed by the end of the year.

Update 11/8/16
